1. I hear the words of love, I  
 2. 'Tis ev - er - last - ing peace, Sure  
 3. The clouds may go and come, And  
 4. My love is oft - times low, My  
 5. I change— He chang - es not; The

gaze up - on the blood, I see the might - y  
 as Je - ho - vah's name; 'Tis sta - ble as His  
 storms may sweep my sky; This blood - bought friend - ship  
 joy still ebbs and flows; But peace with Him re -  
 Christ can nev - er die; His love, not mine, the

sac - ri - fice, And I have peace with God.  
 stead - fast throne, For - ev - er - more the same.  
 chang - es not, The cross is ev - er night.  
 mains the same; No change Je - ho - vah knows.  
 rest - ing place; His truth, not mine, the tie.
